DCYF Public Disclosure

PROVIDENCE, R.I. (November 9, 2020) – A 17-year-old female from Lincoln was admitted to Hasbro Children’s Hospital on October 23. The family had prior DCYF involvement, but they were not open to the Department at the time of the child’s admission to the hospital.

The Department has conducted an investigation and has determined that the child’s condition is likely to have been the result of maltreatment. Pursuant to state law, DCYF notified the Office of the Child Advocate of the report.

Due to confidentiality laws, we are prohibited from sharing additional information.

DCYF’s highest priority is the safety and well-being of all children. Rhode Islanders are required by law to report known or suspected cases of child abuse or neglect to DCYF within 24 hours of becoming aware of such abuse/neglect. Please call 1-800-RI-CHILD to report known or suspected cases of child abuse.
